*I wanted to drop you a quick e-mail to thank you all so very much for making my party on Saturday a very drunken but brilliant night. The food was absolutely delicious ( I can just about remember)!! Can you pass on my thanks to Dan and the girls we all loved it and will remember it forever. I can't remember the team leaving so am horrified to think that I didn't say thank you so please apologise for the noise and plastered girls! Will be in touch when we get round to sorting another date!*

*Thank you so much for making Saturday so special. It was such a lovely day (weather included!). Richard and I were able to really enjoy the company of our family and friends without having to worry about anything. Everyone had a great time and many commented on how friendly, attentive and helpful your staff were. I can't thank you all enough. The food was superb - please thank the chef again for us.*

**Private Client, Engagement Party March 2012**

*I just wanted to say a big thank you to the team for all their efforts last night. The team were as always hugely professional and the canapés were DELICIOUS! I have to say I think I was responsible for eating most of them!!*

*Unfortunately the event was far quieter than we had hoped, so I hope they did not find the evening too tedious.*

*I'm sure we'll be in touch in the near future should any further events arise.  
A big thank you once again*

*"We would just like to say thank you for all your help with our event on 16<sup>th</sup> November. It was a very successful night and you coped marvellously with the extra pressure put on by the massive turnout. The mood set was just perfect and we are so glad that we listened to your recommendations regarding the circular bar and cocktails. People loved them!*

*A huge thank you particularly to Katie and Tom, who were so helpful both before and during the event, getting involved in all the little details to make sure the evening went smoothly.*

*It is very hard to find a good service provider, particularly one that exceeds your standards, so you will definitely be hearing from us when we organise future events!"*

**AROS Capital, Launch Event, November 2011**

**Private Client, Wedding August 2011**

*"Wow what a fantastic day and night. Ward and the people you sent were just fabulous. They couldn't  
do enough for us, they were helpful to a fault, the food was amazing, the breakfast very welcome - can't  
thank you enough for sorting this all - was a huge weight off my mind knowing Stones was sorting it  
all, particularly on the back of mums death/funeral.  
Am recommending you where I can! Thanks again!"*

**Private Client, 21<sup>st</sup> Birthday Party, July 2011**

*"Hi Juan, Thank you so much for a wonderful event, your staff were a credit to you and the food was  
first class. I was delighted you got there as early as you did and (without me asking) deciding that you  
should start serving food earlier than agreed (the right decision). I had at least half a dozen comments  
from clients on the beautiful burgers and for the event we did, the food was right on the money.  
I was also particularly impressed that at least two of your staff at any time were 'working the crowd'  
offering drinks. Well done!"*

**Corporate, H.R.Owen Sports Cars, May, 2011**

*"Thanks very much to all your team for the event at IKON last night – it went really well and our clients were really pleased with the event, and of course it was a pleasure working with you again!"*

**Corporate, Eventuality, May, 2011**

*"It's taken a little while for me to get around to this but I just wanted to drop you an email to say thanks for all the work that you put into arranging the catering for our wedding on the 23rd April at Belgrave Hall.*

*We had a great day and everything went as well as we'd hoped - the weather was great, the gardens were beautiful, the marquee looked brilliant and, of course, the food was delicious and the catering staff were professional and friendly. Quite a few people commented on the day, and since, about how good the food was so I would like to say a particular thank you to your chefs.*

*Throughout the time that we were organising the wedding I found you and Juan easy to work with and very professional in your approach. I would have no hesitation in recommending Stones to someone organising a similar event."*

**Private Client, Wedding April 2011**

*"What a truly fabulous event! You once again surpassed our expectations with the quality of food, a superb team of staff and always a feeling of calm and professionalism from all involved. We are all agreed – loving the iPad app!"*

*To hear customer praising the food and service is always a joy to hear and helps reinforce what we already know only ever use the best. When we say we would never entertain using another catering company, believe me, we mean it. Please extend our sincere thanks to all involved – we are looking forward to the next event already!"*

**Corporate, Sturgess, February, 2011**

*"I would just like to say what a pleasure it was to be treated like a pair of perfect gents by Lindsey at the Birmingham Bentley launch on Friday, she has amazing people skills extremely friendly kind warm & intelligent and although she was posted on the coats with a gleaming smile all night, nothing was too much for her and her product knowledge was second to none, she still managed to look after us regarding food we had missed and a great supply of champs, if i ever need you guys regarding a luncheon or catering service without doubt you'll be the first to know, the steak & chips were the best I've tasted in years.. medium rare the only way of course please give compliments to the chef ( monk fish & yoghurt amazing)"*
